

# The People Sang to God

**Bible Phrase:** Sing songs to God. 1 Chronicles 16:9

**Scripture Reference:** 2 Chronicles 3:1-17; 5:1-14

**Bible Story:** God had a special job for King Solomon. God wanted King Solomon to build a special temple (church). The temple would be a beautiful place where people could come to sing and say thank you to God.

King Solomon used many workers to help build the temple. The building was very large. It had a porch across the front. On each side of the front door was a big, tall column.

The inside of the temple was covered with gold. Workers used many sparkling stones to decorate the temple. A curtain was made from red, blue, and purple cloth. The curtain was hung in a special place inside the temple.

When the temple was finished, King Solomon and the people celebrated. Some of the people played music on trumpets and cymbals. Other people sang thank-you songs to God. They sang, "God is good. God will always love us." They thanked God for their new temple.

## Parents:

- Talk about things we do at church, such as singing songs to God.
- Sing (tune "Mary Had a Little Lamb"): "Thank You, God—, for my church, for my church, for my church, for my church. Thank You, God—, for my church where we sing songs to You."
